CS 346: Meeting Minutes

Date: February 15, 2023   Team: 113

Present: Cindy, Joanne, Amanda, Reyna

Absent:

Agenda

- Figure out why tests passed on Cindy's computer and the pipeline

- Review class implementation logic and function documentation

- Iron out console and GUI feature details

Notes

- Unit tests were failing due to precision differences in MAC vs Windows OS

Decisions

- Instead of using creation date to uniquely identify notes, generate a unique id uuid upon creation

Actions

- Wrap up console and GUI implementation – Joanne and Reyna
- Code Reviews
- Configure Installer
- Prepare for Sprint Demo
